

Security - Accidental Damage Deposit

- 1** Cottage Owners want to see their homes in the same condition how it was before guests arrived. It is their responsibility to check cottages between each visiting. We take the Security deposit of \$500 from renters at the time of booking and hold it in a Trust Account just how the Travel Industry Act requires. The Security deposit will be returned during 5 weeks maximum, after guests left the cottage.
- 2** You have another option: can buy \$45 **Accidental Damage Insurance** (coverage up to \$ 3000) for your stay (3 days to 2 weeks).
(Please check how much Accidental Damage Coverage Insurance will cost for your stay, if longer then 2 weeks).
